

# WE NEED YOUR HELP!!!!

We are excited to be named as the Ambassadors of the Queensland Women's Masters Teams to participate at the National Masters Championships at the Gold Coast from 25<sup>th</sup> September 2019 to 5<sup>th</sup> October 2019.

We have several duties, two of which are to

- help organise a supporters' group to watch and cheer for our teams
- plan a function for ex-Masters players, officials and hockey supporters to be held during the championships.

Are you able to

- provide us with email addresses of anyone you know who would like to reconnect with their past team friends or be interested in attending?

AND/OR

- let us know if anyone has already formed a supporters' group for 2019, similar to ones in previous years, or would like to organise one.

Please send names with email address, home address, and/or phone numbers to:

Jenny Tidey O.A.M.
